Community Rewards Participation Guide

Community Rewards will open on May 1st, 2026

For every hour participating First Federal Customers volunteer, we'll contribute \$2 to the participating Yamhill County Nonprofit organization. The more time you volunteer, the more rewarding your service. Participating Yamhill County nonprofit organizations are eligible to earn up to \$500 in any given year, with the total donation based on the number of active volunteer hours submitted by First Federal customers during the time the program is open. The First Federal Community Rewards program closes when the 10,000th hour of volunteer time is received. Contributions are based on the total number of hours submitted and are disbursed at the close of the program.
