**In this Week's Issue: Resource Development Committee, Veteran Applications Re-Open, Father's Day Build, Healthy Homes Volunteer Opportunities**

## Funding Future Hope

Highlighting the Resource Development Committee

**The Resource Development Committee is turning vision into action.**

At the heart of Newberg Area Habitat for Humanity's fundraising efforts is its **Resource Development Committee (RDC)**— a dedicated group with a clear mission: to cultivate **diverse and growing funding streams** so the organization can **continue building homes and communities of hope**. Their vision is a community fully invested in ensuring **every neighbor has a safe, decent, and affordable place to live**. This vision fuels an active lineup of

**upcoming events with the intention of community outreach and coming together** to make positive change happen.

This group has big plans this year. This summer, the committee will partner with the **Newberg Old Fashioned Festival**, bringing Habitat's mission to one of the region's most beloved community gatherings. Later this summer, the RDC will host a **ReStore Block Party** celebrating community outreach, connection, and affordable housing awareness. And last, but certainly not least, the RDC is currently underway planning the **Second Annual Building Hope Gala**, which will once again unite local supporters and sponsors for an evening dedicated to making affordable housing a reality.

**One event, one donor, and one home at a time.**

**If you are interested in event planning, community outreach, and have a passion for philanthropy, consider joining the Resource Development Committee!**

**All inquiries can be directed to Alicia Ralls, our Volunteer Coordinator, at [volunteer@newberghabitat.org](mailto:volunteer@newberghabitat.org)**

-----

**El Comité de Desarrollo de Recursos está convirtiendo la visión en acción.**

En el corazón de los esfuerzos de recaudación de fondos de Newberg Area Habitat for Humanity se encuentra su **Comité de Desarrollo de Recursos (CDR)** — un grupo dedicado con una misión clara: cultivar fuentes de **financiamiento diversas y crecientes** para que la organización pueda **continuar construyendo hogares y comunidades de esperanza**. Su visión es una comunidad plenamente comprometida en garantizar que **cada vecino tenga un lugar seguro, digno y asequible donde vivir**. Esta visión impulsa una activa agenda de próximos eventos con la intención de llegar a **la comunidad y unirse para lograr un cambio positivo**.

Este grupo tiene grandes planes para este año. Este verano, el comité se asociará con **el Festival Old Fashioned de Newberg**, llevando la misión de Habitat a uno de los eventos comunitarios más queridos de la región. A finales del verano, el CDR organizará **una Fiesta de Cuadra del ReStore** para celebrar la participación comunitaria, la convivencia y la conciencia sobre la vivienda asequible. Y por último, pero no menos importante, el CDR se encuentra actualmente planificando la **Segunda Gala Anual Construyendo Esperanza**, que nuevamente reunirá a simpatizantes y patrocinadores locales en una velada dedicada a hacer realidad la vivienda asequible.

**Un evento, un donante y un hogar a la vez.**

**Si te interesa la planificación de eventos, la participación comunitaria y tienes pasión por la filantropía, ¡considera unirse al Comité de Desarrollo de Recursos!**

**Progress continues across multiple project sites this week.**

**El progreso continúa en varios sitios de proyecto esta semana.**

**717 N. College Trailer:** Work on the trailer project is steadily advancing, with a newly installed insulated subfloor completed and wall construction now underway. Volunteers are welcome to join and take part in the fun.

**Remolque en 717 N. College:** El trabajo avanza de manera constante; ya se completó la instalación de un nuevo subpiso con aislamiento y la construcción de las paredes está en marcha. Los voluntarios son bienvenidos a unirse y participar.

**1201 E. 5th St:** We are moving right along as excavation is complete. Rough plumbing will be installed this weekend, and a concrete foundation is scheduled to be poured next week.

**1201 E. 5th St:** Seguimos avanzando con la excavación en curso. La plomería inicial se instalará este fin de semana y la fundación de concreto está programada para la próxima semana.

*If you've ever thought about getting involved from the ground up, there has never been a better time to start!*

*Si alguna vez has pensado en involucrarte, nunca ha habido un mejor momento para comenzar. Ven a construir algo que importa.*
