## George Fox Students Making an Impact

GFU Helps Out at N. College St. and the ReStore on Serve Day

This year's **Serve Day** brought **60 George Fox students** out to partner with Newberg Area Habitat for Humanity — continuing a tradition we treasure! Students rolled up their sleeves for three projects: **painting a community mural inside the ReStore, sprucing up the landscaping outside the ReStore, and clearing our new build site on N. College St.** We're so grateful for GFU's continued heart for our community.

Thank you, Bruins — see you next Serve Day! 🧡🔨

¡El **Serve Day** de este año trajo a **60 estudiantes de George Fox University** para colaborar con Newberg Area Habitat for Humanity, dando continuidad a una tradición que apreciamos mucho! Los estudiantes se pusieron manos a la obra en tres proyectos: **pintar un mural comunitario dentro del ReStore, arreglar el jardín afuera del ReStore, y limpiar nuestro nuevo terreno de construcción en N. College St.** Estamos muy agradecidos por el compromiso constante de GFU con nuestra comunidad.

¡Gracias, Bruins! Nos vemos en el próximo Serve Day 🧡🔨

# Community Comes Together at the ReStore Block Party

Highlights from the ReStore Block Party on September 19th

*What a celebration!*

Around 200 neighbors joined us for our ReStore Block Party throughout the day, filling the lot with good food, fun music, and even better company. Jacob Breazile, the Chair of Newberg Area Habitat for Humanity's Resource Development Committee, grilled up hamburgers and hot dogs for guests. The event included a fun kids' station with coloring, painting flower pots, and face paint.

Alrededor de 200 vecinos nos acompañaron durante todo el día en nuestro Block Party del ReStore, llenando el lugar de buena comida, música animada y aún mejor compañía. Jacob Breazile, presidente del Comité de Desarrollo de Recursos de Newberg Area Habitat for Humanity, se encargó de asar hamburguesas y hot dogs para los invitados. El evento incluyó una divertida estación infantil con actividades para colorear, pintar macetas y pintacaritas.

Together, families made their mark by adding to the community mural designed by George Fox students. GFU Students completed the outline during serve day as well as color-coded each section so everyone could jump right in and paint!

Juntas, las familias dejaron su huella al sumarse al mural comunitario diseñado por estudiantes de George Fox. Los estudiantes de GFU completaron el bosquejo durante el Serve Day y marcaron cada sección con colores para que todos pudieran comenzar a pintar de inmediato.

Folks learned more about Habitat's mission, our housing program, and volunteer opportunities. Jerome Spencer (ReStore Manager) put together a fun swag bag for people to take home, with mini screwdrivers and a tape measure included! Thank you to everyone who came out to connect, celebrate, and build community with us.

Los asistentes conocieron más sobre la misión de Habitat, nuestro programa de vivienda y las oportunidades de voluntariado. Jerome Spencer (gerente del ReStore) preparó una divertida bolsa de regalos para que la gente se llevara a casa, ¡con mini desarmadores y una cinta métrica incluidos! Gracias a todos los que vinieron a convivir, celebrar y construir comunidad con nosotros.

Thank you to our awesome volunteers for helping during the event and to our Resource Development Committee for planning this fun community event!

We'll see you next year! 🧡🏠
